

A Thompson Family Legacy Event

The 4-Score Celebration
for

James Thompson, Sr.

April 4-7, 2018

James Thompson, Sr. is turning 80 years old on April 4, 2018 and I am hosting a 4-day event to honor our Patriarch of the Thompson Family. You are not required to attend all four days unless you wish to do so. He would be very excited to see his family since he has not seen many of you in a while. It would mean so much to him as well as me if you would take some time out of your busy schedule to visit, hug, talk laugh, and reminisce with him.

As a family, we seemingly come together at times of bereavement and loss, but we need to work on changing that. We can come together to celebrate and appreciate the blessings that God has given us as a family; and we are truly a blessed family! I can't wait to see you during this once in a lifetime event, love you all! Linda
